

Dear Cobra Parents, Family, and Friends:

Our season is fast approaching and I would like to get a head start on fundraising efforts for 2009. This year we have a new & exciting year round fundraising opportunity!

We have teamed up with an amazing new online shopping company that pays our organization cash for all *your* online purchases.

For every purchase you make through our portal, [www.shoptoearn.net/cobras](http://www.shoptoearn.net/cobras), our organization will receive a range of 1-40% cash back from over 500 top name retailers, such as those advertised on this page. Additionally, our portal provides access to a number of environmentally friendly companies that offer all natural and organic products.

We ask for your support by utilizing our shopping portal to buy the things you already buy, and contribute to your child's fundraising program!

Thank you in advance,
